2006 Pan-Icarian Convention

Thanks so much to everyone who supported our convention in Florida. We had a great turnout and everyone enjoyed themselves tremendously! Thanks to all the members, family and friends who made the trip to St. Pete for the 103rd convention - see you next year in Baltimore!!

The 2006 Pan Icarian Convention will be hosted by Chapter #19 Helios! We are very excited to show all of you a great time in Florida! Until then, here are some photos of the beautiful Renaissance Vinoy in St. Petersburg. This truly is a spectacular hotel. The St. Pete area offers a variety of activities. Art lovers have six museums to pick from including the Salvador Dali Museum. Beach fanatics have miles of white sand beaches and the Gulf of Mexico to enjoy. Plus - chapter Helios has a few special activities planned...so stay tuned for more!
