The family of **John Ploutis**, currently of Hobart, Indiana, is in dire need of financial assistance to help with expenses associated with his deteriorating medical condition. John is 29 years old and is on a waiting list for a **double lung transplant**. Some of the life saving medical medications he needs to survive until he receives the transplant are no longer covered by his insurance (Medicaid of Indiana) and are beyond the means of the modest pension of his parents.

The fundraiser is an urgent medical appeal from the Pan Icarian Foundation.

**Please bring your checkbook !**

The Pan Icarian Foundation is registered with the IRS as a 501 (c) 3 organization. Your donations are tax deductible.

**We thank you in advance for your generosity**
