

PREFACE

Dear Brothers and Sisters,

The 2017-2018 Supreme Lodge hereby presents the Revised **Constitution and By-Laws** of the **Pan-Icarian Brotherhood of America “ICAROS.”** This edition incorporates all changes made to the document as approved by the Supreme Conventions Delegates up to the 2017 Supreme Convention.

As the document is now electronically transcribed, future versions of the PIB Constitution and By-Laws will be easier to update and to release to our Brotherhood. The Supreme Lodge will maintain responsibility for the original and provide subsequent editions as amendments, alterations or corrections are made.

We recommend each Chapter print out the document for their members and use a one (1) inch three-ring binder with a clear pocket cover to store it.

Please feel free to contact the Supreme Lodge with any questions you may have regarding this edition. Thank you.

Sincerely,

George Paralemos
Supreme President
Pan-Icarian Brotherhood of America “ICAROS”
