Dear Members and Friends of the Pan-Icarian Brotherhood of America 'Icaros':

I hope you are making plans to join us in Detroit for the Supreme Convention over Labor Day Weekend. Please check to see if you have paid your per capita fees to your chapter. Delegates to the Supreme Convention from each chapter are based upon the number of paid members submitted to our Supreme Treasurer: E. Terry Platis at 321 S. Sangamon #808 in Chicago, IL 60607. Contact Terry if you have any questions at: terryplatis@hotmail.com

Chapter Updates:

Eirini--Norfolk: I was able to visit with the members of the Eirini Chapter #28 in Norfolk, VA on the 25th of March. The meeting was hosted by Stefanos Perdos and his daughter, Anna, in their lovely home. A delicious makaronada was prepared by the host and enjoyed by all. This is a chapter with members involved with their church and community and should continue to grow.

Lefkas--Baltimore: On May 2nd, a visit was made to the Lefkas Chapter #16 in Baltimore, MD. Prior to the meeting, my husband, Gus Stefanadis, PSP, and I were hosted to a delicious lunch by Theodosios Kohilas at the Ikaros Restaurant. A long time supporter of the Icarians, his restaurant is one of the most popular dining establishments in Baltimore. Next door to Ikaros Restaurant, the chapter is very proud of their leski. There is not only room for the meetings and an outdoor courtyard for barbeques; there is room for their youth to meet upstairs while the members tend to their meetings.

Spanos/Areti—Detroit: Mailings have been sent out by Spanos/Areti Chapter #9 with information regarding the upcoming convention they will be hosting Labor Day weekend, September 2-6, 2010. Please read their literature and support the chapter especially with your ads for their album both as chapters and as individuals.

New Chapters: Sister Maria Padgett is working on the proposed new chapter in Charlotte, North Carolina. Please contact Maria if you have any contacts or questions at: Mpadgett2@yahoo.com. Still seeking out potential members in Boston, MA and Denver, CO. Please get back with me with any information: sgstef@aol.com
