

PIB Supreme President's Message, September 2010

Dear Brothers and Sisters;

Fall is definitely the season of change. Only a short while ago, during the 107th Supreme Convention, we saw the transition of many of the Brotherhood's offices from experienced and capable hands to a new set of knowledgeable volunteers. The only constant that remained was our deep commitment and love for the Brotherhood and its ideals. I would like to commend all the outgoing officers, especially Supreme President Sonja Stefanadis and Foundation Chairman Socrates Koutsoutis, for their years of service to the Lodge and the Foundation. We sincerely hope their voices will continue to help council our organization.

Your new 2011 Supreme Lodge is already at work on an agenda that will make us responsive to the Brotherhood.

We start with the unfinished business of selecting a Chapter to sponsor the 2012 Supreme Convention. To this end, the Supreme Lodge will host a Special Meeting of the Brotherhood on October 30, 2010 in Chicago to review qualified Convention City bids. Initial e-mail notices have gone out and will be followed by details in registered mail notifications to all the Chapters and the Past Supreme Presidents. I strongly urge your participation in order for us all to be successful in selecting the Convention City for this milestone year.

The Lodge will also carry on efforts to finish projects like the Icarian cookbook and work towards new interests such as the 2012 Icarian Independence celebration. We will continue to foster closer involvement with the membership. I hope that you too will reach out to the Lodge by always keeping us in mind regarding individual Chapter events and happenings.

I greatly look forward to meeting and working with many of you over the course of the next year. Thank you all sincerely for your confidence in electing me to the office of Supreme President. I will endeavor to do my best, because the Pan-Icarian Brotherhood deserves no less.

Regards,

Nikolaos J. Pasamihalis
