

PIB Supreme President's Message,
100th Anniversary Celebration of Ikarian Independence 1912-2012

Dear Brothers and Sisters,

The Pan-Icarian Brotherhood of America “ICAROS” extends its most heartfelt best wishes to the people of Ikaria, Greece, and the Pan-Icarian family across the globe upon the 100th Year Anniversary Celebration commemorating the Ikarian Independence of 1912. As we gather to mark this important event today July 17th, 2012, our organization stands together with our compatriots on our beloved island, both in person and in spirit from our American villages.

Our entire membership holds in highest esteem and honors our forefathers whose bravery and sacrifice allowed them to free themselves and their progeny forever from the yoke of oppression. May their memory be eternal and their inspiration a lasting beacon of light for all Hellenes everywhere.

Regards,

Nikolaos J. Pasamihalis
Supreme President
