# Pan-Icarian Brotherhood of America "ICAROS"

22236 Harlan, Grosse Ile, MI 48138

Headquarters of the Supreme Lodge

February 7, 2013

Dearest Brothers and Sisters,

The Supreme Lodge will be holding its second meeting of the term next week in sunny (hopefully) Clearwater, Florida. Chapter Helios will be hosting the meeting at its new clubhouse. All are welcome to attend the meeting which will take place on Saturday the 16th at 12:30 pm. I anticipate that many of the officers and governors from the Lodge will be in attendance. Prior to the meeting the Lodge will visit and meet with the management from the Sheraton Sand Key, host hotel for the 2014 convention.

**Icaria Hospital:** In more recent news I am pained to tell you that the Greek government's plans to close Icaria's hospital are still progressing despite our efforts and those of the Island's civil authority to counter this action. In my most recent correspondence with the Vice Mayor of Agios Kyricos, Mr. Alexandros Skaros, the Vice Mayor assured me that they will try all avenues, including legal challenges to keep the Hospital operating. I will keep the Brotherhood updated on this issue as it develops.

**Magazine Editor:** I am happy to report that we have had several offers with respect to filling our expected vacancy for magazine editor. This issue will be discussed and possibly resolved at the upcoming meeting.

**Youth Conference:** Our youth governor, Katrina Mavrophilpos, has assured me that preparations are underway for the upcoming Youth Conference which will be held in Pittsburgh over the upcoming Memorial Day weekend. I urge all chapters to send at least two of your youth to the conference. We plan on having a large event which will be held in conjunction with the Pittsburgh Memorial Day Dance and Golf Outing. The Supreme Lodge will also be meeting that weekend. Again, I will have more news for you on this topic following our Florida meeting.

**Loss of a good Ikarian:** I close by extending the condolences of the Brotherhood to the family of [Menelaos “Larry” Manolis](#) who was killed last week in a tragic automobile accident here in Detroit. Larry, who was an architect by profession was a life-long member of chapter George Spanos/Areti chapter and was our artist in residence. Larry had a passion for all things Ikaria and Detroit. His designs were incorporated into many of our convention logos over the past dozen years and included my favorite; Ikaros driving a classic Caddy convertible with his wings stowed in the back seat. Larry, we will miss you.

Until next time...

George N. Koklanaris  
Supreme President  
Pan Icarian Brotherhood
